Terms and Conditions

An adult signature is required for wine delivery, and we recommend a place of business. To avoid shipping costs, Members may pick up shipments at the winery. After the designated pickup date, shipments that have not been picked up will be shipped. Members are requested to notify Carica Wines of changes, e.g., shipping address or credit card information, at carica@caricawines.com.

As the Winemaker and founding owner of Carica Wines, I am genuinely looking forward to sharing selections of Carica wine with Members of the Carica Wine Club. Four times a year, I will personally select two to three of our premium wines to send to Club Members. One shipment could bring our signature Syrah, plus our Rhone-style Red Wine and a Sauvignon Blanc. Another shipment could offer the dark and smooth Petite Sirah, and some dry but refreshing Rosé.

You will also receive my notes about the special characteristics of each wine, from aromas to flavors, plus information about how the wine was created, and perhaps some tips about food pairings and recipes.

As a small, family-owned winery, Carica Wines especially values having a direct relationship with wine enthusiasts. We share with Carica Wine Club Members a passion for small-lot, handcrafted wines with the character of their place of origin, wines that are intense, but never at the expense of balance.

I hope you will join our community. Cheers!
